2026 EDITION

The 28th edition of the Picto Prize for Fashion Photography holds a special significance for the PICTO Foundation. Following 2025, the year in which PICTO celebrated its 75th anniversary, 2026 marks the **10th anniversary of the “PICTO Foundation” endowment fund**. This year also coincides with a major event in the history of photography: the celebration of its bicentenary.

The Picto Prize for Fashion Photography is a key pillar of PICTO's initiatives in support of creation and emerging talent, reflecting the commitment of a historic player in the photographic ecosystem. Created nearly 30 years ago, the Prize is part of a long-standing dedication to photography and, in 2026, resonates with the celebration of the medium's bicentenary.

We wish to make this 2026 edition an exceptional event for these talents in the making—finalists and winners alike—who will receive the four prizes awarded this year.

2026 EDITION

We are delighted to welcome the **visual artist Valérie Belin**, who will chair the jury for this edition. As every year, four awards will be presented at the 28th Picto Prize for Fashion Photography ceremony :

- The **Picto Fashion Photography Award** highlights a style that contributes to the advancement of photographic creation in the service of fashion and luxury. The originality of the artistic signature and the inspiration evoked by the series will be the key qualities highlighted by this historic award, supported by Leica.
- **le19M endowment for Fine Craft Photography** recognizes a visual style capable of developing original creative proposals around the Fashion Craft trades. Aesthetic approach, personal universe, and sensitivity will determine the winner, who will collaborate with [one of the resident houses of le19M](#)—an exceptional venue designed by CHANEL, dedicated to the creation and transmission of the Fashion and Decorative Arts métiers.
- The **Filippo Roversi endowment** which rewards the originality of the vision, the uniqueness of the professional background, and the artistic approach. This award is supported by photographer Paolo Roversi, who will share a portfolio review and a signed print with the recipient.
- The **LGA Management / JANVIER endowment**, in collaboration with [LGA Management Agency](#) and [JANVIER Digital Photo Lab](#), recognizes a visual talent whose photography and art direction, applied to the worlds of beauty, still life, or luxury, spans across various mediums (print, digital, motion design, and video).

2026 EDITION

Since 2017, the Picto Prize for Fashion Photography has been hosted by the **Palais Galliera, Paris Fashion Museum**. The Parisian museum supports the ambitions of this program by giving it an institutional dimension, enabling the winners to enter a public collection and to exhibit their work in a museum space.

The jury will meet at the end of April and will be chaired by Valérie Belin. The award ceremony will take place in early June at the Palais Galliera.

Valérie Belin is a French visual artist. Born in 1964 in Boulogne-Billancourt, she lives and works in Paris. Since 1993, she has produced numerous photographic series, particularly “portrait” series, which invite us to question the sometimes complex relationships we have with our bodies and their representations.

Her works are now exhibited worldwide and are part of numerous public and private collections. Winner of the Prix Pictet in 2015, she was named Commander of the Order of Arts and Letters in 2023 and elected a member of the Académie des beaux-arts in 2024.

P R E S E N T A T I O N O F T H E A W A R D

The Picto Fashion Photography Award was initiated in 1998 by the PICTO laboratory with the mission of supporting fashion photographers, helping them launch their careers, and fostering emerging talents. The award has brought to light talented photographers who now have international careers: **Louis Decamps** (1998), **Sofia & Mauro** (2002), **Kourtney Roy**, **Charlotte Abramow** (2014) ou encore **Elsa & Johanna** (2017).

The Picto Fashion Photography Award quickly evolved thanks to its partners and a constantly renewed jury from the worlds of fashion, luxury, advertising, art, and photography. In 2013, the award expanded internationally, recognizing laureates from around the world, such as **Ting Ting Wang** (China) in 2013, **Chiron Duong** (Vietnam), who won in 2020, **Lucie Khahoutian** (Armenia), recipient of the 2020 *le19M* Endowment for Fine Craft Photography, **Natalia Evelyn Bencicova** (Slovakia), who won in 2021, and **Silvana Trevale** (Venezuela), the 2024 recipient of the LGA Management / JANVIER Endowment.

In 2017, the Picto Fashion Photography Award welcomed a prestigious new partner: the **Palais Galliera**, Paris Fashion Museum. Since 2020, photographer **Paolo Roversi** and **le19M**, which brings together the fashion crafts of the CHANEL fashion house, have awarded two prestigious distinctions. *le19M* unites nearly 700 artisans and experts working across 12 renowned Maisons (Atelier Montex, Desrues, Eres, Goossens, Lemarié, Lesage, Lesage Intérieurs, Atelier Lognon, Maison Michel, Massaro, Paloma, and Studio MTX). It also houses la Galerie du 19M, an interactive cultural space open to the public, whose programming reflects *le19M*'s commitment to preserving and passing on exceptional craftsmanship.

In 2024, the **LGA Management Agency** and the **JANVIER** laboratory joined the Picto Fashion Photography Award for professional and artistic support. Today, four prizes are awarded, with the constant aim of being as close as possible to the new talents associated with the fashion sector and the challenges facing their activity.

ORGANISATION

The **Picto Fashion Photography Award** is organised as part of the programmes of **PICTO Foundation**, **the endowment fund of Picto Laboratories**. PICTO Foundation aims to intensify and perpetuate actions in the photography sector, at a time when photographers need our support even more. The programmes supported aim to meet photographers' expectations and encourage those who place experimentation at the heart of their creative approach. These sponsorship initiatives should enable PICTO to continue to see through the eyes of others for a long time to come, and to continue a tradition of exchange and sharing.
